Limited Warranty

Brushkinz warrants its toothbrush for 12 months after the date of purchase. Defects due to faulty materials and workmanship will be replaced at the expense of Brushkinz, as long as a valid proof of purchase is provided within the qualifying period. Damage from the use of unauthorized replacement parts and tampering with original components will void this warranty. The user should strictly adhere to all instructions included in the user manual and should abstain from any actions or uses that are deemed as unnecessary or which are warned against in the user manual.

Warranty period

Brushkinz Sonic LED Toothbrush is covered for 12 months from the date of purchase with proof of purchase being registered at www.brushkinz.com

Once registered, you will receive a confirmation email with details of your purchase and warranty.

Keep your receipt and the confirmation email safe as proof.

The warranty applies when the product is used for its intended purpose, as described in the instruction manual. Read the instruction manual carefully before using the product.
Brushkinz will identify the problem with product and suggest the best service option for you.

Warranty does not apply as per below

- if the proof of purchase has been altered or made illegible;
- if the model number, serial number, or production code on the product has been altered, removed, or made illegible;
- if the product was purchased as faulty stock, or used from an individual and not a legitimate retailer.
- if repairs or product modifications have been performed by unauthorized service organizations or persons;
- if the defect is the result of excessive use outside the intended purpose;
- if the defect is caused by abuse of the product;
- if the defect is caused by environmental conditions that are not in accordance with the user manual;
- if the defect is caused by connecting peripherals, additional equipment, incompatible power source power source or accessories other than those recommended in the user manual;
- if the unit has been damaged, including but not limited to damage by animals, lightning, abnormal voltage, fire, natural disaster, transportation,
- for normal wear and tear, cosmetics or replacement of consumable parts, such as toothbrush heads;
- for non-electrical parts.
